### By John Gierach

In his latest book, 40 True Stories of Hunting and Fishing on Paths Less Traveled: The Sidetracks, renowned outdoorsman and author John Gierach shares his adventures in the wild, from hunting elk in the remote wilderness of Montana to fly-fishing for trout in the crystal-clear waters of Idaho. Gierach's writing is both lyrical and humorous, and his stories are filled with vivid descriptions of the natural world and the challenges and rewards of the outdoor life.

Whether you're an experienced hunter or angler, or simply someone who enjoys spending time in the great outdoors, you'll find something to love in this collection of unforgettable tales. Gierach writes about the thrill of the

chase, the satisfaction of a hard-earned catch, and the simple pleasure of being surrounded by nature. He also shares his thoughts on conservation, ethics, and the importance of passing on our outdoor traditions to future generations.

In one story, Gierach recounts a hunting trip in the Bob Marshall Wilderness of Montana. He and his friend are hiking through a thick forest when they come across a fresh elk track. They follow the track for hours, and finally, they catch a glimpse of the animal. Gierach takes a shot, and the elk drops.

In another story, Gierach describes a fly-fishing trip to the South Fork of the Snake River in Idaho. He's fishing for trout, and he's having no luck. He's about to give up when he finally catches a fish. It's a small fish, but it's a beautiful fish, and Gierach is thrilled.

Gierach's stories are more than just hunting and fishing stories. They're also stories about friendship, adventure, and the human spirit. They're stories that will make you laugh, make you think, and make you want to get outside and experience the great outdoors for yourself.

If you're a fan of John Gierach's writing, or if you're simply looking for a good read, then I highly recommend *40 True Stories of Hunting and Fishing on Paths Less Traveled: The Sidetracks*. It's a book that you'll enjoy reading and re-reading for years to come.
