Abigail and John: A Portrait of Marriage in Colonial America is a fascinating look at the lives of one of America's most famous couples. Abigail and John Adams were married for 54 years, and their letters to each other provide a unique glimpse into their marriage, their family, and the founding of the United States.

Abigail Adams was a remarkable woman. She was well-educated and politically astute, and she played an important role in her husband's career. She was also a devoted mother and grandmother, and she wrote frequently to her children and grandchildren about her life and her hopes for them.

John Adams was one of the most important figures in American history. He was a delegate to the Continental Congress, a signer of the Declaration of

Independence, and the second president of the United States. He was also a brilliant political theorist, and his writings on government and society have had a profound impact on American thought.

The marriage between Abigail and John Adams was a partnership of equals. They respected each other's intelligence and abilities, and they worked together to achieve their common goals. They were also deeply in love, and their letters to each other are filled with expressions of affection and admiration.

The story of Abigail and John Adams is an inspiring tale of love, marriage, and the founding of a nation. It is a must-read for anyone interested in American history, the lives of women in the 18th century, or the power of love.

Reviews
