# 6 Strategies for Answering Interview Questions

**1** Keep your answers short, limited to a couple of sentences to avoid losing your listener.

**2** Avoid "yes" or "no" responses. Always provide examples demonstrating your skills and/or experience.

**3** Don't use the words "but" or "however" as these words negate everything that came before them, i.e., avoid saying "I enjoy working in a team environment, but..."

**4** Look directly at the interviewer and speak with interest and enthusiasm. Above all, stay positive!

**5** Answer "the question behind the question." What is the interviewer really asking?

**6** Don't apologize for lack of experience. Instead, emphasize what you can offer.
