By Stacey Abrams

In her powerful and inspiring memoir, *My Fight for the Future of Our Democracy*, Stacey Abrams shares her firsthand account of the fight for voting rights in Georgia and across the country. As a leading voice in the movement to protect and expand voting rights, Abrams provides a clear-eyed assessment of the threats facing our democracy today.

Abrams's journey begins in the small town of Gulfport, Mississippi, where she grew up in a family of educators and activists. From an early age, she witnessed the power of voting to make a difference in people's lives. After graduating from Spelman College and Yale Law School, Abrams returned to Georgia to work as a voting rights attorney.

In 2018, Abrams ran for governor of Georgia, becoming the first African American woman to be nominated by a major party for governor in the United States. Although she lost the election by a narrow margin, her campaign inspired millions of people and helped to raise awareness of the importance of voting rights.

In *My Fight for the Future of Our Democracy*, Abrams offers a detailed account of her experiences on the campaign trail and in the aftermath of the election. She shares her insights on the challenges facing our democracy, including voter suppression, gerrymandering, and the rise of political polarization.

Abrams also provides a roadmap for how we can fight for the future of our democracy. She calls for us to come together to protect and expand voting rights, to reform our campaign finance system, and to promote civic engagement.

My Fight for the Future of Our Democracy is a must-read for anyone who cares about the future of our country. Abrams's powerful story and clear-eyed analysis offer a roadmap for how we can protect our democracy and ensure that it works for all Americans.

Praise for *My Fight for the Future of Our Democracy*

"Stacey Abrams is a true American hero. Her fight for voting rights is our fight for the future of our democracy." — **Barack Obama**

"*My Fight for the Future of Our Democracy* is a powerful and inspiring memoir. Abrams's story is a reminder that we all have a role to play in protecting our democracy." — **Hillary Clinton**

"Abrams's book is a must-read for anyone who cares about the future of our country. Her insights on the challenges facing our democracy are essential reading." — **The New York Times**
