Brill is a lifelong birder, and he has a deep love for the natural world. He has spent countless hours in the field, observing birds and learning about their behavior. He is also an accomplished photographer, and his images have been featured in numerous publications.

Brill's Big Year was a challenging one, but it was also an incredibly rewarding experience. He saw 330 different bird species, including some of Maine's most iconic and elusive birds. He also met many other birders

along the way, and he learned a great deal about the importance of conservation.

Brill's journey is chronicled in his new book, *One Man's Journey to See Every Bird in Maine: A Photographic Account of Maine's Big Year*. The book is a beautiful and inspiring account of Brill's adventure, and it is filled with stunning photography and engaging prose.

*One Man's Journey to See Every Bird in Maine* is a must-read for any bird lover. It is a book that will inspire you to get out and explore the natural world, and it will remind you of the beauty and diversity of Maine's birdlife.
