When a young woman is found dead in her apartment, Detective Jack Hartigan is called to investigate. As he delves deeper into the case, he uncovers a web of lies, secrets, and hidden agendas. The victim, Emily Carter, was a brilliant scientist who was working on a top-secret project. Was her murder related to her work? Or was it something more personal?

As Hartigan investigates, he finds himself drawn into a dangerous game of cat and mouse. The killer is always one step ahead, and Hartigan soon realizes that he is not the only one who is being targeted. As the body

count rises, Hartigan must race against time to stop the killer before it's too late.

Shoot to Wound is a fast-paced, action-packed thriller that will keep you guessing until the very end. With its intricate plot, complex characters, and heart-pounding suspense, this novel is sure to leave you breathless.
