By John Lanchester

The British aristocracy is a world of tradition and privilege, of stately homes and ancient titles. But behind the facade of glamour and wealth lies a complex and often hidden world of secrets and scandals.

In *The Lords of the Realm*, acclaimed author John Lanchester takes readers on a journey into the heart of this elite world. He explores the history of the aristocracy, from its origins in the Norman Conquest to its modern-day incarnation as a wealthy and influential social class.

Lanchester tells the stories of some of the most famous and infamous members of the aristocracy, including the Duke of Norfolk, the Earl of Snowdon, and the Duchess of York. He reveals the secrets of their lives,

their loves, and their losses. And he examines the changing role of the aristocracy in British society, from its days as a ruling class to its modern-day status as a symbol of national identity.

The Lords of the Realm is a fascinating and in-depth look at one of the world's most enduring and fascinating institutions. It is a must-read for anyone interested in history, politics, or the sociology of power.

Praise for *The Lords of the Realm*

“A brilliant and insightful look at the British aristocracy. Lanchester's writing is both informative and entertaining, and he provides a unique glimpse into a world that is both fascinating and often hidden from view.” - The Guardian

“A must-read for anyone interested in history, politics, or the sociology of power. Lanchester's book is a fascinating and in-depth look at one of the world's most enduring and fascinating institutions.” - The New York Times

“Lanchester's book is a tour de force. He has written a definitive history of the British aristocracy, and his insights into the lives of its members are both fascinating and revelatory.” - The Telegraph

About the Author

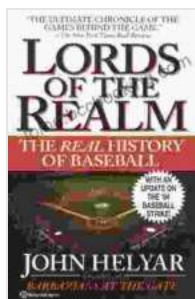

John Lanchester is an acclaimed author of fiction and non-fiction. His novels include *The Debt to Pleasure*, *Capital*, and *The Wall*. His non-fiction works include *Whoops! Why Everyone Owes Everyone and No One Can Pay* and *I Also Dream of Ibiza*.

Lanchester is a regular contributor to the Guardian and the New York Times, and he has been a visiting professor at the University of California, Berkeley and the University of Cambridge.
