## Early Life and the Birth of Microsoft

Born on October 28, 1955, in Seattle, Washington, Gates exhibited a keen interest in computers from a young age. At the age of 13, he encountered a Teletype Model 33 ASR terminal at his school, Lakeside School. This

sparked his passion for programming, and he spent countless hours honing his skills.

In 1973, while still a student at Harvard University, Gates met his future business partner, Paul Allen. Together, they founded Microsoft in 1975, initially focusing on developing interpreter software for the BASIC programming language.

## **The Microsoft Empire and Global Dominance**

Microsoft rose to prominence in the 1980s with the release of its MS-DOS operating system, which became the de facto standard for personal computers. The company's subsequent launch of the Windows operating system and Microsoft Office suite further cemented its dominance in the technology industry.

Under Gates' leadership, Microsoft became a global powerhouse, revolutionizing the way people worked, communicated, and accessed information. Its products became ubiquitous in homes, offices, and schools worldwide, generating unprecedented revenue and solidifying Gates' position as one of the wealthiest individuals on the planet.

## **Philanthropic Endeavors and the Bill & Melinda Gates Foundation**

Beyond his business acumen, Gates is renowned for his philanthropic efforts. In 2000, he and his wife, Melinda Gates, established the Bill & Melinda Gates Foundation, which has become one of the largest and most influential philanthropic organizations globally.

The foundation focuses on addressing global health, education, and development issues. It has played a vital role in combating diseases such

as malaria, HIV/AIDS, and polio, and in improving access to education and financial services in developing countries.

## **Staggering Earnings and Wealth Accumulation**

Gates' success with Microsoft has resulted in an extraordinary accumulation of wealth. At the peak of his career, he was consistently ranked as the richest person in the world by Forbes magazine.

As of 2023, Gates' net worth is estimated to be around \$129 billion. This staggering wealth generates an equally impressive income stream.
