A Tragic Summer Day

On a sweltering summer day in 1955, 14-year-old Emmett Till ventured from Chicago to Money, Mississippi, to visit his relatives. While there, he allegedly whistled at Carolyn Bryant, a white woman whose husband owned a local grocery store.

The Night of Horror

Days later, on August 24, 1955, Till was abducted from his uncle's home by Roy Bryant and his half-brother, J.W. Milam. They drove him to a remote cotton field, beat him brutally, shot him in the head, and disposed of his body in the Tallahatchie River.

Simeon Wright's Testimony

Simeon Wright, Emmett Till's cousin, was present during the kidnapping and witnessed the aftermath. His testimony at the trial became a crucial piece of evidence. In his deeply moving account, Wright described Till's abduction in chilling detail:

"They yanked him out of the bed by his feet and dragged him down the steps...They threw him in the back of the pickup truck and drove off."

The Trial and Aftermath

The trial of Roy Bryant and J.W. Milam ended in an all-white jury acquitting the accused. The injustice of the verdict shocked the nation and ignited protests. The case became a catalyst for the Civil Rights Movement, inspiring leaders like Martin Luther King Jr. and galvanizing a national movement for equality.
